FHC manufactures high-quality **Service Windows** for onsite installation.

FHC offers two models of Service Windows: FHC Ticket Window and FHC Cashier Window. Both models feature 1/4" tempered glass in a satin anodized aluminum frame, a speak-thru, and a stainless steel shelf.

The models differ in the option of either a half-round ticket window or a recessed deal tray. Custom sizes and finishes are available. Please contact FHC's experienced Technical Sales Department to discuss your next project.
