Description: OverviewThe WMRT411LDC3 Wood's Powr-Grip Manual Rotator/Tilter Vacuum Lifting Frame is a best seller for a reason. This medium-duty below the hook lifter features a 700 lb safe work load rating and an on-board battery system for cord-free operation while its flexibility includes the ability adjust the frame into 3 different locked configurations to best fit your requirements. Incorporated Intelli-Grip Technology will reduce the risk of human error and protect personnel and valuable loads from harm. The smooth 360 degree, edgewise, rotational pivot can lock at each quarter point and tilt 90 degrees from upright to flat. Unit can be set into 3 Configurations: BASIC = 28-1/4" x 32-3/4" LINEAR = 15-3/4" x 78-1/4" EXTENDED = 48-1/4" x 67-1/2"
