

FHC Black Diecast - Keyed Sliding Door Flush Handle Set (1 Set)

Item No. C1043

Features, Advantages, and Benefits

- Used on a variety of sliding patio door manufacturers
- Non-handed for left or right sliding patio doors
- Fits doors 1 in. to 1-1/8 in. thick
- Stamped steel construction with a black finish

- Comes with four different latches to fit most doors

Description: Overview This non-handed diecast black flush mount patio door handle is a common and popular design that fits most doors with a cutout for a flush handle set. The mounting holes are 6-5/8 in. on center. The inside and outside handles are 7/8 in. wide and 7-1/4 in. tall. It comes with a keeper and has a four latch hook assortment to accommodate the needs of the door. For the keyed version use Prime-Line part C 1033.
