

## **FHC 7/8" - Clear Vinyl - Shower/Tub Enclosure Anti-Slam Bumpers**

**Item No.** M6164

### **Features, Advantages, and Benefits**

- Used in tub enclosure jambs to help prevent slamming of the door
- Self adhesive backing
- Package contains 4 bumpers
- Clear vinyl construction

- Easy to install

**Description:** Overview This package of 4 clear vinyl self adhesive bumpers fit into tub enclosure jambs to help cushion the stop of sliding doors. The 7/8 inch diameter x 3/8 inch thick door bumpers are used to help cushion the door panels from slamming into the enclosure jambs. Jambs need to be very clean to insure that the adhesive backing will adhere properly.
