

FHC Sliding Window Tandem Roller Assembly - 3/8" Flat - Brass Rollers (2 Pack)

Item No. G3091

Features, Advantages, and Benefits

- 3/8 inch Brass rollers
- Nylon housing

- All necessary fasteners are included for a quick and easy installation
- Used on House of Aluminum
- Gray nylon housing

Description: Overview These dual window rollers are constructed from brass. They come affixed to a nylon housing and include the necessary fasteners. This style roller is used on House of Aluminum and similar style aluminum framed windows. These are easy to install with a few simple tools in a few minutes. Will help your window slide action. A Phillips head screw driver will be required for installation.
