

FHC Board-Up Press In Clip Carbon Steel - 20pk

Item No. BUPC

Features, Advantages, and Benefits

- 20 Per Pack
- Do-it-Yourself Hurricane Board-Up Clips Provide A Simple, Quick and Inexpensive Way to Protect Windows from Extreme Weather Without Drilling, Screws, Nails or Adhesives

- Designed to Protect Windows Recessed In Brick, Wood, Stucco and Other Surrounds
- These Reusable Clips are Available For Both 1/2" and 3/4" Thick Plywood
- Rated For Wind Speeds Up to 150 Mph, Depending on Overall Window Size Opening
- Included Instructions For Easy Installation, Removal and Clip Spacing Based on Window Size and Wind Speed
- Measure Width and Height of Opening, Subtract 1/4" from Both Measurements. This Leaves 1/8" on All Sides. Cut the Plywood, Slide on The Clips and Press Into the Opening
