- Designed for use with hinged screen and storm doors
- Features a spring loaded bar that is pushed out of the way with a closing latch and springs back instantly to engage it
- Easy to install with only a few simple tools

Description: Overview This keeper and guide kit is used on Anjac as well as a variety of other patio door manufacturers. It has two different style keepers. One keeper is a downward hanging diecast hook that is $\frac{7}{32}$ in. wide with a $\frac{1}{4}$ in. hook projection. The second keeper is an upwards hook that is $\frac{1}{2}$ in. wide with a $\frac{9}{16}$ in. hook projection. The two top guides are also found on a variety of screen door manufacturer's designs.
