

FHC 1" Black Rubber Sliding Door Bumper (2 Pack)

Item No. D1859

Features, Advantages, and Benefits

- Used by a variety of sliding patio door manufacturers
- Prevent sliding patio doors from slamming when opening
- Dimensions are: 1 in. diameter and 1 in. length
- Used on left or right sliding patio doors

- Black rubber construction
- All necessary mounting hardware is included

Description: Overview This is a set of two black door bumpers that can be used on most closet doors or many patio doors. Each bumper is a 1 in. diameter and 1 in. long black rubber bumper. The rubber bumper is fastened on the appropriate door jamb to prevent slamming. Patio doors usually use one on the opposite side of the opened side to prevent slamming when the door is opened. Fasteners are included.
