

FHC Standard Latch Strike - 1-5/8" - Steel - Brass Plated Finish (Pack Of 2)

Item No. E2232

Features, Advantages, and Benefits

- Used to replace most residential interior and exterior strikes
- 2-1/4 in. overall height
- Mounting holes are 1-5/8 in. on center
- Steel construction with a brass plated finish

- 1-7/16 in. width

Description: Overview These standard latch strikes are constructed of steel and come in a brass plated finish. They feature an adjustable tab designed to eliminate the door slop and chatter of closed doors, and they're installed with two #8 x 1 in. fasteners included with each package. These latch strikes are used by many to replace most residential interior and exterior door strikes. Adjustment tip: to eliminate the loose rattling of a closed door, remove the strike plate and bend the tab slightly with a pair of pliers, adjusting left to right as necessary.
