

# FHC 1-1/4" Satin Nickel Plated Stamped Steel Constructed Deadbolt Strike (Single Pack)

**Item No.** E2461

## **Features, Advantages, and Benefits**

- Compatible with most residential deadbolt hardware
- Ideal for strengthening jamb at deadbolt area
- The deadbolt rectangular opening on this strike measures 3/4 in. x 1-1/16 in.
- The net size of the deadbolt strike measures 1-1/4 in. x 3-5/8 in.
- Constructed of heavy gauge stamped steel
- Easy to install in less than 30 minutes with a few simple tools

**Description:** Overview This deadbolt strike is constructed of heavy gauge stamped steel and comes in a satin nickel plated finish. It features a 3/4 in. x 1-1/16 in. opening that fits most entry door deadbolt hardware. Four 3 in. screws are provided with each plate to allow for a stronger hold, deep into the wall stud beneath the jamb. Use this strike and fasteners to help reinforce the most vulnerable area of entry door systems.
