

# FHC Awning Window Operator - Right Hand - For Tucker (Single Pack)

**Item No.** H3678

## **Features, Advantages, and Benefits**

- Constructed of diecast and steel material
- Comes in a neutral gray color to blend with existing hardware, in a corrosion resistant, baked-on enamel finish
- Designed for use with awning windows manufactured by Look-Rusco Windows
- Features an L-shaped mounting hole pattern to provide greater stability when cranking
- Easy to install with only a few simple tools
- For further dimensional and specification information, please see the line drawing

**Description:** Overview This is an awning operator of aluminum diecast construction with a gray baked enamel finish used on Tucker Windows. It is right-handed with a matching crank handle with a 2-3/8 in. link arm (as viewed for the inside looking out). It has an L shaped mounting hole pattern with a top hole that is off centered. The dimensions are 5-1/4 in. from center of the top hole to the center of the bottom hole and the 2 horizontal holes in the bottom leg are 1-1/4 in. on center.
