- Only fits an 11/32 inch spindle
- Please refer to the line art for dimensions and compare with your needs before purchasing

Description: Overview This is a diecast T-handle that is designed to fit Truth casement operators with an 11/32 inch spindle. The 11/32 inch bore is unique to Truth operators. It is constructed from diecast metal and comes in a white finish to match most Truth operator in white. Often the T-design is used to replace the normal crank handle when they interfere with window blinds. Make sure the set screw is snug against the spindle. **INSTALLATION NOTE:** use a mid-grade glue to ensure the set screw does not back out.
