

# **FHC 3/8" Nylon Spring-Loaded Top Pivot With 1/4" Steel Pin - Fits Alliance Doors (2 Pack)**

**Item No.** N6700B

## **Features, Advantages, and Benefits**

- Used by a variety of tub and shower door manufacturers
- Will fit most V-shaped tracks
- Threaded hex head hub
- Nylon ball bearing roller
- Easy to install
- Two #8-32 x 3/8 in. Phillips binder head machine screws included

**Description:** Overview This is a 7/8 in. tub and shower door nylon ball bearing roller with a rounded edged wheel. It has a threaded hex head hub that uses an 8-32 x 3/8 in. long Philips binder head machine screw to fasten it to the door bracket. Used on a variety of different tub and shower top roller systems. If you require a larger roller use Prime-Line part M 6001 for 3/4 in. flat roller.
