

## **FHC Rigid Door Stop - 3" Reach - Diecast Construction - Chrome Plated - White**

**Item No.** U9044B

### **Features, Advantages, and Benefits**

- 5 Per Pack

- Used to prevent door handle of opening doors from hitting and damaging adjacent wall
- With 3 in. reach, these stops can be mounted over baseboards, door panels and at bottoms of walls
- Chrome plated finish
- Diecast construction
- These door stops feature an installation fastener affixed behind the base of the stop

**Description:** Overview These heavy-duty door stops are constructed of diecast and come in a chrome plated finish. They feature a rigid shaft construction with a 3 in. reach, and a white rubber tip to cushion and prevent unwanted damages to nearby walls. These rigid door stops mount over the baseboard with a wood screw insert affixed to the base of the stop. Door stops like these are easy to install and used by many.
