

## **FHC Super Deadbolt Strike - Brass**

**Item No.** U9425B

### **Features, Advantages, and Benefits**

- Constructed of durable stamped steel
- Comes in a beautiful, corrosion resistant, chrome plated finish
- Designed for use with door latch hardware on hinged swinging doors
- Features industry standard design features and includes all installation fasteners
- Easy to install with only a few simple tools

**Description:** Overview This Deadbolt Strike by Prime-Line Products is constructed of heavy gauge steel and it comes in a brass-plated finish. This heavy duty deadbolt strike replaces most deadbolt strikes and increases security with the 3-inch screws included within each pack. Use of long fasteners allow the deadbolt strike plate to fasten deep into the wall stud beneath the thin 3/4 inch door jamb. The plate can be used with most entry door applications.
