

FHC 7/16" Top Pivot With Spring-Loaded Metal Pin - For Cox (2 Pack)

Item No. N6583

Features, Advantages, and Benefits

- Used as a top pivot for Cox bi-fold doors
- Maximum weight capacity of 30 lbs
- 7/16 in. base
- Plastic base and spring-loaded steel post
- Easy to install
- No fasteners required

Description: Overview This is a top mount bi-fold door pivot that is typically used on Cox bi-fold doors. The spring-loaded 1/4 in. steel pin inserts into a pre-drilled hole in the door and the top pivot bracket above, creating a pivot point for your bi-fold door. Each steel pin is self adjusting and features a mold injected white plastic base. Use with the Prime-Line part N 6577 pivot bracket (purchased separately) for best installation results.
