

FHC Sliding Mirror Door Diecast Pull - 3" Long - Chrome (Single Pack)

Item No. N6973

Features, Advantages, and Benefits

- Diecast steel
- Chrome finish
- 1-1/2 in. wide by 3 in. long
- Adheres directly onto the mirrored door surface

- Includes pressure sensitive adhesive backing
- Easy to install

Description: Overview This is a chrome diecast pull that mounts directly onto the mirrored glass surface. It replaces several older manufacturer's handles that were also mounted onto the glass surface. Included is pressure sensitive adhesive backing. Be sure to clean the window surface with alcohol before installing this handle. For white purchase Prime-Line part N 6971, and for gold purchase Prime-Line part N 6968.
