

FHC Mirrored Door Roller - Spring-Loaded - 7/8" Roller (2-Pack)

Item No. N7237

Features, Advantages, and Benefits

- Spring-loaded 2 piece top mounted bracket assembly
- Stamped steel outer housing with a stamped steel insert and 7/8 in. convex nylon roller installed
- Also serve as corner brackets on mirrored doors
- Used on panel style wardrobe doors
- Fits older style Acme wardrobe doors

Description: Overview This is a set of two top mounted mirrored door roller assemblies that are spring-loaded. They have a 7/8 in. convex or round edged nylon roller that hang in a track mounted above. They also work as corner brackets holding the sides and the top rail together. Used by Acme and a variety of other mirrored door manufacturers.
