

FHC Pbi-Fold Door Knob - Replace Old Or Unsightly Knobs - 1-11/16" Outside Diameter - Diecast - Antique Brass Plated (Single Pack)

Item No. N7370

Features, Advantages, and Benefits

- **REPLACEMENT DOOR KNOB** - Replace old, unsightly or missing door knobs on your bi-fold doors with these antique brass plated, large diameter door knobs.
- **WIDE BASE** - The wide base of this bi-fold door knob prevents crushing of a door panel when installed on hollow doors, and the large diameter allows for easy gripping.
- **EASY INSTALLATION** - Installation is quick and easy and everything needed is provided - 1 door knob per package with 2 fasteners. These door knobs are used by many wardrobe door manufacturers.
- **DURABLE** - Made with zinc diecast construction and an antique brass plated finish, these door knobs are strong, durable and made to last.
- **SIZING** - This door knob has an 1-11/16" outside diameter, 1-3/8" reach and 15/16" base diameter.

Description: Overview Replace old, unsightly or missing door knobs on your bi-fold doors with these antique brass, large diameter door knobs. With a wide 15/16" outside diameter base, (that will not crush a hollow door panel when installed), and a 1-11/16" large diameter makes gripping and pulling easy. Installation is quick and easy and everything needed is provided - 1 bi-fold door knob per package with 2 fasteners. These door knobs are used by many wardrobe door manufacturers. Made with zinc die cast construction and a antique brass plated finish, these door knobs are strong, durable and made to last. This door knob has an 1-11/16" outside diameter, 1-3/8" reach and 15/16" base diameter.
