

FHC Screen Table Carpet - 72" x 108" - Gray

Item No. P8099

Features, Advantages, and Benefits

- Screen table carpet
- 72 in. x 108 in
- Used on a screen table to protect the frame from scratching
- Gray in color

- Tough indoor/Outdoor felt
- 1 roll

Description: Overview This item is a screen table top carpeting for application onto a table that is used for fabricating window screens and/or screen doors. The carpet protects the screen frame material from scratches and provides a slip resistant surface for rolling the screen fabrics into the frames. The carpet is a tough indoor/outdoor felt material that can be easily cleaned with a hand held vacuum. Gray. 1 roll per package.
