

FHC 15/16" - White Nylon Drawer Guide Twin Roller Assembly (2 Pack)

Item No. R7218

Features, Advantages, and Benefits

- Compatible with various types of drawer systems
- Each assembly includes a side and bottom roller
- Helps drawers slide easily, in and out of cabinet

- These inside-corner roller assemblies are designed to prevent drag and damage where wood-on-wood operation will allow
- Drawer must be removed to install these rollers
- Easy to install in less than 30 minutes with a few simple tools

Description: Overview These roller assemblies are constructed of nylon and ship in pairs. Each assembly features a side and bottom roller, and they are designed to improve the operation of drawers as they slide in and out of cabinetry. Roller assemblies like these help prevent drag and damage to wooden drawers, and they are hidden from view once installed. Inside-corner roller assemblies are easy to install and used by many.
