Item No. T8724

Features, Advantages, and Benefits

- Secures storm window panels to storm doors
- Constructed of extruded aluminum
- Features a 1/4 inch offset
- Includes knurled head thumb screw
- Can use an adjustable wrench to tighten, use caution not to over tighten and cause damage
- 8 Storm panel clips and knurled head screws per package

Description: Overview These storm door panel clips are constructed from aluminum and feature a knurled head screw. Typically they are used to help secure your glass and screen panels to the frame. Each panel clip features a self-locking design with adjustable tension that fits on standard taps. Dimensions are 1/4 inch offset, a 1/2 inch width and a 3/4 inch reach. No tools are required for installation.
