- Works on a left handed casement window

- Arm is 9-1/2 in. from middle of the guide button to the middle of the crank operator while closed
- Heavy duty diecast zinc construction with coppertone finish
- Opens the window to a full 90 degrees
- Matching crank handle is included

Description: Overview This is a coppertone finish left-handed, 9-1/2 in. single arm operator. It is made of heavy-duty diecast zinc with the baked on coppertone finish. The steel arm, worm drive and gears are protected with a corrosive resistant finish, and it opens to a full 90 degrees. The plastic roller on the end of the arm insure a smooth operation as it slides through the Prime-Line part TH 22397 track. When installing, the housing easily fastens down to the window sill.
