

# FHC Two Piece Adjustable Door Strike - Chrome Plated (Single Pack)

**Item No.** U10278

## **Features, Advantages, and Benefits**

- Used as an adjustable two piece door strike for a variety of swinging doors
- Constructed from stamped steel and comes in a chrome plated finish
- Designed to fit steel jamb systems
- Please refer to the line art and compare with your needs before purchasing

**Description:** Overview This is a two-piece adjustable door strike made from stamped steel and is chrome plated. The adjustability provides snug fit of door to jamb, stops unwanted rattling noise, and assures engagement of deadlatch function. They may be used on both residential and commercial door frames. Typically, these are found on Roberts Redi-Frame and Timely metal frame door jambs. All necessary mounting hardware is included for a quick and easy installation.
