

## **FHC Maximum Security Combination Strike - 11" - Stamped Steel - Heavy Duty (Single Pack)**

**Item No.** U9427

### **Features, Advantages, and Benefits**

- Constructed of durable stamped steel
- Comes in a beautiful, corrosion resistant, brass plated finish

- Designed for use with deadbolt and deadlatch door locks on hinged swinging doors
- Features industry standard design features and includes all installation fasteners
- Easy to install with only a few simple tools

**Description:** Overview This combo deadlatch and deadbolt strike is constructed from steel and comes in a brass-plated finish. It features six 3 in. long screws that provide maximum security. This type of combo is quick and easy to install. Replaces standard latch and deadbolt strikes with one piece. May be used to repair split or damaged door jambs. Compatible with hole spacing from 3-5/8 in. to 4 in. center to center. For best results, follow the installation instructions included with each package. These strikes are easy to replace using only a few simple tools. For further dimensional information, please see the line drawing.
