- Ideal for adding increased security at most vulnerable area of door
- Fits around standard 2-3/8 in. residential backsets
- Constructed of steel with gray-painted finish
- Mounts onto door with two(2) carriage bolts
- Easy to install in less than 30 minutes with a few simple tools

Description: Overview This latch shield is constructed of steel and comes in a gray painted finish. It features a 5/16 in. offset lip which is designed to cover the latch area of an outswinging hinged door. Helps protect swing-out doors from forced entry at the most vulnerable area of a door. Use this latch shield with doors whose locksets are installed at a 2-3/8 in. backset. Installation fasteners are included with this item.
