

FHC Door Hole Cover Plate - 2-5/8" Diameter - Finished In Gray Primer (Single Pack)

Item No. U9515

Features, Advantages, and Benefits

- **MAINTAIN SECURITY** - Use this door hole cover plate to help maintain security and privacy on entry doors where the knob latch or deadbolt hardware is no longer

being used. Cover up the holes that may allow for unwanted entry or invasion of privacy, and keep doors looking great!

- CONCEAL HOLES - This door hole cover plate can cover holes from 1/2 inch in diameter up to 2-1/8 inch
- EASY INSTALLATION - With only two fasteners to install, installation is quick and easy, and the door hole cover plate can conceal most bores and holes for additional security and privacy
- HEAVY DUTY - Made of heavy-duty gauge steel with a gray finish, this door hole cover provides peace of mind and extra security, plus it's durable and made to last
- SIZING - This door cover plate has a 2-5/8 inch outside diameter and fits on doors up to 1-3/4 inch thick.
- NOTE - Refer to the line art and for outer dimension and compare with your needs before purchasing

Description: Overview This is a hole plate cover used to conceal round holes in doors from 1/2 inch to 2-1/8 inch in diameter. Constructed from stamped steel and comes in a gray finish. It is typically used to cover-up a single bore hole in doors. Each door hole plate cover will work on doors up to 1-3/4 inch thick. Helps to maintain security for your home or business. All the necessary mounting hardware is included for a quick and easy installation.
