

FHC Non-Marring Sliding Window Lock - Aluminum Finish(2 Pack)

Item No. U9820

Features, Advantages, and Benefits

- Used as a secondary lock on horizontal sliding windows
- Non-marring
- Allows window to be secured in a closed or ventilating position
- Extruded aluminum with an aluminum finish

- 2-Pack

Description: Overview This is an extruded aluminum lock with no-mar vinyl insert to protect track of metal horizontal sliding windows. Finish by tightening thumbscrew with pliers to securely lock windows in closed or ventilating positions. For vinyl windows use Prime-Line parts U 9809 or U 10547. Exercise caution and do not over tighten these locks and cause damage on your window track.
