

## **FHC 1-15/16" Standoff - 2" Diameter - Brushed Stainless**

**Item No.** RS2X11516BS

### **Features, Advantages, and Benefits**

- 2" Diameter Standoff Bases in Varying Lengths
- Used for Commercial or Residential Projects
- Requires a 5/8" Diameter Hole
- Standoff Caps, Screws, and Hanger Bolts also Available

- Endless Uses for a Wide Range of Applications
- For Use with Monolithic and Laminated Tempered Glass
- Easy to Install
- Custom Lengths and Finishes also Available

**Description:** <h2>Maintenance</h2><p>Stainless steel is a durable and corrosion-resistant material, but can still stain or rust if exposed to certain environmental conditions. Proper maintenance, including regular cleaning and protection is necessary to prevent staining and ensure the longevity of your stainless steel product. Products like FHC's BSR1 Restoration Kit and CS77P Cleaning and Passivation Spray can aid in keeping stainless steel products' factory finish. The user is responsible for maintaining stainless steel and any staining, rust or corrosion that occurs due to lack of maintenance is not the responsibility of the manufacturer.</p>
