

FHC 1-31/32" Adjustable Standoff - 2" Diameter - Brushed Stainless

Item No. RS2X3132ADJBS

Features, Advantages, and Benefits

- Horizontal Adjustment Can Be Made with Glass Installed
- 1" Diameter Standoff with 1-31/32" Multi-Way Adjustable Base

Description:

Maintenance

Stainless steel is a durable and corrosion-resistant material, but can still stain or rust if exposed to certain environmental

conditions. Proper maintenance, including regular cleaning and protection is necessary to prevent staining and ensure the longevity of your stainless steel product. Products like FHC's BSR1 Restoration Kit and CS77P Cleaning and Passivation Spray can aid in keeping stainless steel products' factory finish. The user is responsible for maintaining stainless steel and any staining, rust or corrosion that occurs due to lack of maintenance is not the responsibility of the manufacturer.</p>
