

FHC Clear Single Decorator/Rocker Acrylic Mirror Plates

Item No. AMP102

Features, Advantages, and Benefits

- Acrylic Plate is Oversized to Cover Cut-Out
- Mirror Backed Clear Acrylic
- Polished Beveled Edges

Description: <h2>Overview</h2><p>This Single Decorator/Rocker Switch Plate is cut from durable 1/8" clear mirror-backed acrylic and then edges are beveled and polished to give a look of being part of the mirror. They are oversized to confirm a complete cut-out coverage.</p>
