Description: Overview This Wood's Heavy-Duty Transport Case will protect your equipment investment during transport or storage. This durable, weather resistant case securely houses your MRT4 & MRTA series lifters when not in use. Molded cavities along with internal straps are designed to prevent equipment movement during transport. This case also features external grooves to allow for easy forklift access and wheels for single person maneuverability. Always wear the correct safety gear to protect yourself. Failure to do so may cause serious operator injury.
