

# FHC Gauntlet Cuff Smooth Natural Rubber Gloves

**Item No.** YGG12S

## **Features, Advantages, and Benefits**

- Cost Effective Heavy Duty Protection in a Universal Size
- Outstanding Wet and Dry Smooth Grip
- Soft Cotton Flannel Liner Provides Comfort and Flexibility

**Description:** <h2>Overview</h2><p>The most popular glove in our line, the versatile YGG12S is an easy on/off heavy duty glove that provides superior protection and slip resistance when handling glass and other materials. The natural rubber coating, safety cuff and universal size make these gloves a perfect shop staple that can be worn alone or over our SG234X when A4 cut resistance is needed.</p>
