

# FHC Gauntlet Cuff Nonslip Wrinkle Natural Rubber Gloves

**Item No.** YGG12SW

## **Features, Advantages, and Benefits**

- Cost Effective Heavy Duty Protection in a Universal Size
- Outstanding Wet and Dry Wrinkle Grip
- Soft Cotton Flannel Liner Provides Comfort and Flexibility

**Description:** <h2>Overview</h2><p>The YGG12SW is an easy on/off heavy duty glove that offers superior protection while the wrinkle finish natural rubber coating provides enhanced slip resistance when handling glass, and other materials, in wet environments. The universal size make these gloves a perfect shop staple and can be worn alone or over our SG234X when A4 cut resistance is needed </p>
