Description: <h2> Overview </h2> <p>The FHC 0D29 Masteroll Overhead Rear Hanger is used with other components to make unique efficient interior Pass-Thru service windows. This helps in keeping your cost and wait time down by avoiding the usual extensive fabrications and long ETA's. Hanger requires the 0D679 Nylon Rollers which are sold separately. The Front Hanger is FHC part# 0D28</p> <p></p> <p>* Always wear the correct safety gear to protect yourself. Failure to do so may cause serious operator injury * *Product info might vary from actual material. Please contact us if there's any concern. </p>
