## **Description:** <h2>FHC Corona Guard Free Standing Partition Brackets

Overview</h2> <p> Create protective barriers to help prevent the spread of airborne particles using the FHC Partition Brackets. You can choose to create your own custom glass configuration, or you can select from our standard glass sizes. Designed to support 1/4" to 3/8" thick tempered glass and acrylic panels, such as plexiglass (sold separately).</p> <p>FHC Partition Brackets are available in two standard finishes: Matte Black and Brushed Stainless Steel. They are easy to assemble, completely dry glazed, completely portable and do not require any mounting holes.</p>

<h2>Safety Measures</h2> <p><img alt="Safety icon" data-bbox="680 363 700 383" style="vertical-align: middle; height: 20px; width: 20px;"/> Always wear the appropriate safety gear to protect yourself. Failure to do so may cause serious operator injury. Please contact us at <a href="tel:8882954531">(888) 295-4531</a> or <a href="mailto:fhc@fhc-usa.com">fhc@fhc-usa.com</a> if there's any concern.</p>
