Description: Overview Projected from the exterior of the building and offering the largest service opening of our semi-automatic pass-thru windows, the FM-1 offers a slim and flush design perfect for small spaces. Operated by our patented push-bar mechanism, the bi-folding doors allow for a hands-free efficient means to serve your customers. A generous staging area is offered with the standard 14" (d) x 24" (w) interior stainless base. FM-1: Unit Size: 24"W x 38-1/2"H
