Description: <h2>Overview</h2><p>Our ticker/teller windows are designed with security in mind. Used widely in cash express locations, ticket booths, hotels, security deposit locations, and anywhere security is required for the transfer of funds or smaller items. This ticket window has the deal tray built into the base (8-1/2" x 11") along with a flip cover to prevent drafts from entering the building. We have 3 standard sizes instant glazing. F.O.B. Houston,
