

## **Makita® 1/2" Spade Handle Heavy-Duty Drill - 110 Volt - 8.5 AMP**

**Item No.** DS4012

### **Features, Advantages, and Benefits**

- 8.5 AMP Motor with Variable Speed for Improved Mixing and Drilling Performance
- Variable Speed (0 - 600 RPM) for Mixing and Drilling in a Wide Variety of Materials
- Forward and Reverse Lever for Operator Convenience
- Lightweight for Easy Maneuverability

- Rubberized Grip for Comfortable Use
- Includes Drill Chuck, Chuck Key and Drill Handle

**Description:** <h2>Overview</h2> <p>The Makita® ½” Spade Handle Heavy Duty Drill delivers more features for material mixing. With variable speed control, the drill delivers improved performance and control when mixing materials such as drywall mud, stucco, and thinset. An ideal mixing solution for drywallers, plasterers, tile installers, and painters. Additional uses include pulling wire and select plumbing applications.</p> <p>The ½” Spade Handle Drill is powered by an 8.5 AMP motor, with a forward/reverse switch and 0-600 RPM for optimum mixing performance. The all ball bearing construction is engineered for smooth operation and longer tool life. Convenience features include a comfortable D-Handle that rotates 360 degrees with 24 detent stops for multi-position operation. It has a well-balanced design at only 6.2 lbs., and a rubberized grip for increased operator comfort.</p> <h2>Safety Measures</h2> <p>Always wear the appropriate safety gear to protect yourself. Failure to do so may cause serious operator injury. Please contact us at <a href="tel:8882954531">(888) 295-4531</a> or <a href="mailto:fhc@fhc-usa.com">fhc@fhc-usa.com</a> if there's any concern.</p>
