

FHC Clear Bottom Wipe With Drip Rail for NAPA Sliding Shower Door System

Item No. NAPB1

Features, Advantages, and Benefits

- Used with Napa Series Sliding Shower Door System
- Attach to Bottom of Shower Door to Create a Water-Resistant Seal
- Drip Rail Redirects Water Into Shower Enclosure
- 45 Degree Drop Rail

- For 3/8" Glass
- 40" Long

Description: OverviewThe FHC Clear Bottom Wipe with Drip Rail attaches to the bottom of the Napa Sliding Shower Door System to create a water tight seal and prevent water from leaking. The drip rail is at a 45 Degree angle and helps redirect water back into the shower enclosure. Used with 3/8" Glass.
