

FHC Dorma BTS75V Adjustable (BF) Floor Door Closer Body in Cement Case

Item No. BTS75VADJ90H0

Features, Advantages, and Benefits

- Door Closer ANSI/BHMA Grade 1 Certified
- Concealed Installation
- Adjustable Spring Size 1-4
- Non-Handed for Single and Double-Acting Doors
- Mechanical Backcheck

Description: OverviewThe BTS75V Series of floor-concealed door closers offer adaptability to almost any installation. The closer's compact body allows it to be used in situations where a larger closer would be restricting. The BTS75V's versatility allows installation even in thin slab concrete subfloor construction. Adjustable spring power from size 1-4 allows the necessary adjustment required for both barrier-free and non-barrier-free openings, giving ultimate installation flexibility.
